Polo shirt orders will need to be pre-paid. Work shirts will be given to new Lions at their first service project or fundraiser at no charge.

Got a great idea for a fundraiser or service project?

Some of our greatest events come from our membership. Let's hear your idea!!

Fun, Fun, Fun

Lion Jim MacBride had a great idea! A Road Rally and Scavenger Hunt! He will need a committee to assist with the details. Currently planned for October time frame. These are great fun and engage families and friends alike. Prizes will be awarded to top winners. Contact Jim at jimmacbride@hotmail.com

COMMUNITY SERVICE

Once again we will be conducting monthly service projects. Have any ideas? Please share them with Lion Kristen Barrowclough at k.barrowclough@me.com

As Second Vice President, Lion Kristen will be leading Community Service this year.

Public Relations

Lion Liz Duda will be handling Public Relations as part of her First Vice President duties. If you have ideas on how to promote our Lions Club, please share them with Lion Liz at

Speakers

We are always looking for interesting speakers for our meetings. Know someone? Let Lion Janet Pritchard know and we'll get them scheduled!
