

Tega Cay Lions Pride

A NOTE FROM PRESIDENT CHRISTINE

Why do we serve? In pondering that question I came across an article written by the founder of Servicespace.org entitled "5 Reasons to Serve". This is one of them:

"Serve to discover abundance: the radical shift from 'me' to 'we.' When you serve, you discover that often the most important things you have to offer are not things at all. You start to uncover the full range of resources at your disposal – your time, presence, attention – and recognize that the ability to give stems from a state of mind and heart, a place much deeper than the material. Inspired by the possibilities this opens up in every moment, you begin to discover humble opportunities to serve – everywhere.

This process begins a shift from a me-orientation to a we-orientation. You start to look at people and situations with an eye for what you can offer them, and not vice versa. You break the tiresome tyranny of questions like "What's in it for me?" The mindset shifts from consumption to contribution. Paradoxically, when serving in this way, you are no longer operating from a space of scarcity. Your cup fills and overflows."

TEGA CAY LIONS ON THE GO!!

International Convention

PCC Bob and Lion Caroline McCarthy, Lion Hope MacBride and Lion Danny Papez and Diane Papez attended Lions International Convention in Chicago. The convention was attended by 30,000 to 35,000 Lions from 150 different countries. The Papez's and Hope chose to ride the bus with 47 other Lions from around South Carolina. Our first stop was International Headquarters for a tour. It was very exciting to see where it all started and where it all happens 100 years later. The highlight of the weekend was the International parade. Just imagine over 200 countries and states represented, dressed in all their national glory as well as bands, horses, lots of spectators and the excitement of talking with and photographing it all. The contingency from Nigeria had 500 people marching. The week was filled with classes, meetings, lunches and plenty of time for sightseeing. On the way home we stopped in KY at "The Ark." It is a life size replica of Noah's Ark built to biblical specifications. As one tours the inside the story of Noah's Ark unfolds. All very well done. The next morning we headed home. It was a great trip with new and old friends alike and it was exciting to celebrate 100 years of Lionism where it all started.

More International Convention

WELCOME TO THE ARK

Noah is in his 600th year and much has happened. His father, Lamech, passed away five years ago, and his grandfather, Methuselah, died in the past year at the age of 969.

Seven days ago, the Lord commanded Noah to enter the Ark along with his family.

They need to hurry—the storm is almost here.

So Noah, his wife, Emzara, and their three sons and their wives spent the past week loading the animals and are now storing the last of the provisions on the Ark.

4th of July Parade and Fish Fry

The Annual 4th of July Fish Fry was a huge success. We cleared over \$5400. Thank you to all that planned, shopped, set up, and worked the day of. We could not have done it without you.

Pack the Backpack

Tega Cay Lions collected school supplies at their July 22 meeting. Lions Hope and Jim delivered the supplies to Tega Cay Elementary School on Tuesday. We did good. Thank you to all that contributed.

International Students

Lions and Friends of Lions,

Thank you all so very much for hosting the students and for all the delicious food and the contributions!!

The kids really enjoy visiting Tega Cay. The camaraderie and food makes this one of their favorite stops.

Two of our students and I had a late night conversation over potato chips and soda! I loved listening to their perspectives and thoughts about our country and the information they shared about their countries. Of course, it also gave me the opportunity to share my thoughts also..LOL.

I hope you all had similar good experiences.

Thank you again!...
